50X1-HUM

1. [redacted] in 1951 work on the construction of a new military airport in the Urziceni area had been completed. The airfield has a concrete runway.
2. The Campina airfield covers an area of about 1,000 meters long; about 400 meters wide on the west side; and about 600 meters wide on the east side. There are only two metal hangars for light planes. It is considered as a military emergency landing field.
